

Eliminating Sexual Harassment Position Statement

OUR POSITION

We recognise that a safe and inclusive work environment is key to Our Purpose of creating enduring value and certainty. How we achieve a safe and inclusive workplace matters to us. We never accept any behaviour, that is unacceptable or contrary to Our Principles, our Code of Conduct, our Inclusion and Diversity Policy or our Health, Safety & Environment Policy.

Sexual harassment will not be tolerated at Perenti as it is the wrong thing to do, is not aligned to Our Principles and is a serious risk to the health, wellbeing and safety of our people.

Sexual harassment is usually defined as unwelcome conduct of a sexual nature where a reasonable person would expect the person to feel uncomfortable, offended, humiliated or intimidated. This may include unwelcome sexual advances, making sexually suggestive comments or jokes, the use of explicit or implicit sexual overtones, requests for sexual favours and other verbal, written, emailed or physical conduct of a sexual nature.

It is the impact to others, not the intent that matters.

OUR EXPECTATIONS OF EVERYONE

- We always look out for our workmates. If you see or hear something that doesn't look or feel like it supports an inclusive, respectful and safe workplace, you have a responsibility to always speak up.
- We don't stand by and say nothing while our workmates are not being treated respectfully. We always Walk in Their Shoes.
- We expect our people to show good judgement in any situation and behave in accordance with Our Principles.
